

Eva Maria Garcia

Interaction Designer

Hi, I am Eva Maria Garcia. I am an Interaction Design Student at Belfast School of Art at Ulster University. I like to create designs that are simple while showing off my style. I enjoy experimenting with illustration, branding and recently iconography. I am located in Belfast and I am looking forward to seeing what different roads my career in design will take me.

1 Week Work Experience

During this work experience I was able to contribute ideas to design projects.

Skills Gained:

- Communication among a range of different people.
- Using a graphics tablet and digitiser to hand-draw images, animations and graphics.
- A more improved and complex understanding of Photoshop.
- Working confidently alongside other professional members of staff (Graphic Designers) who were working on a project, contributing my ideas to the final product.
- Ability to work under pressure and to strict deadlines.
